BLOODMOBILE

CCTC's annual Bloodmobile was held in the Student Center this year, with over 200 pints of blood donated. Congratulations were given to Cosmetology for winning the Big Drop Award for the most pints donated by a curriculum.

AND COOKOUT

During the duration of the Bloodmobile in late September, the SGA sponsored a cookout with students, faculty and staff consuming over 900 hotdogs!

IN MEMORY OF MR. STACY BUDD

Now and then a person comes along who spends a lifetime helping other people. Such a person was Stacy Budd. He always placed the welfare of other people above his own welfare.

Mr. Budd was born to serve others. He enjoyed doing that and found that he could best serve his fellowman through education. He served on the Lee County Board of Education for many years and as chairman of the Board of Trustees of CCTC for 18 years.

His belief that people could find a better way of life through education and his willingness to devote the time and energy necessary to see that ALL people had that opportunity set him apart.

The "Open Door" philosophy of the Community College System was his own philosophy of life, for Mr. Budd's personal and professional life was an open door to anyone who needed a friend.

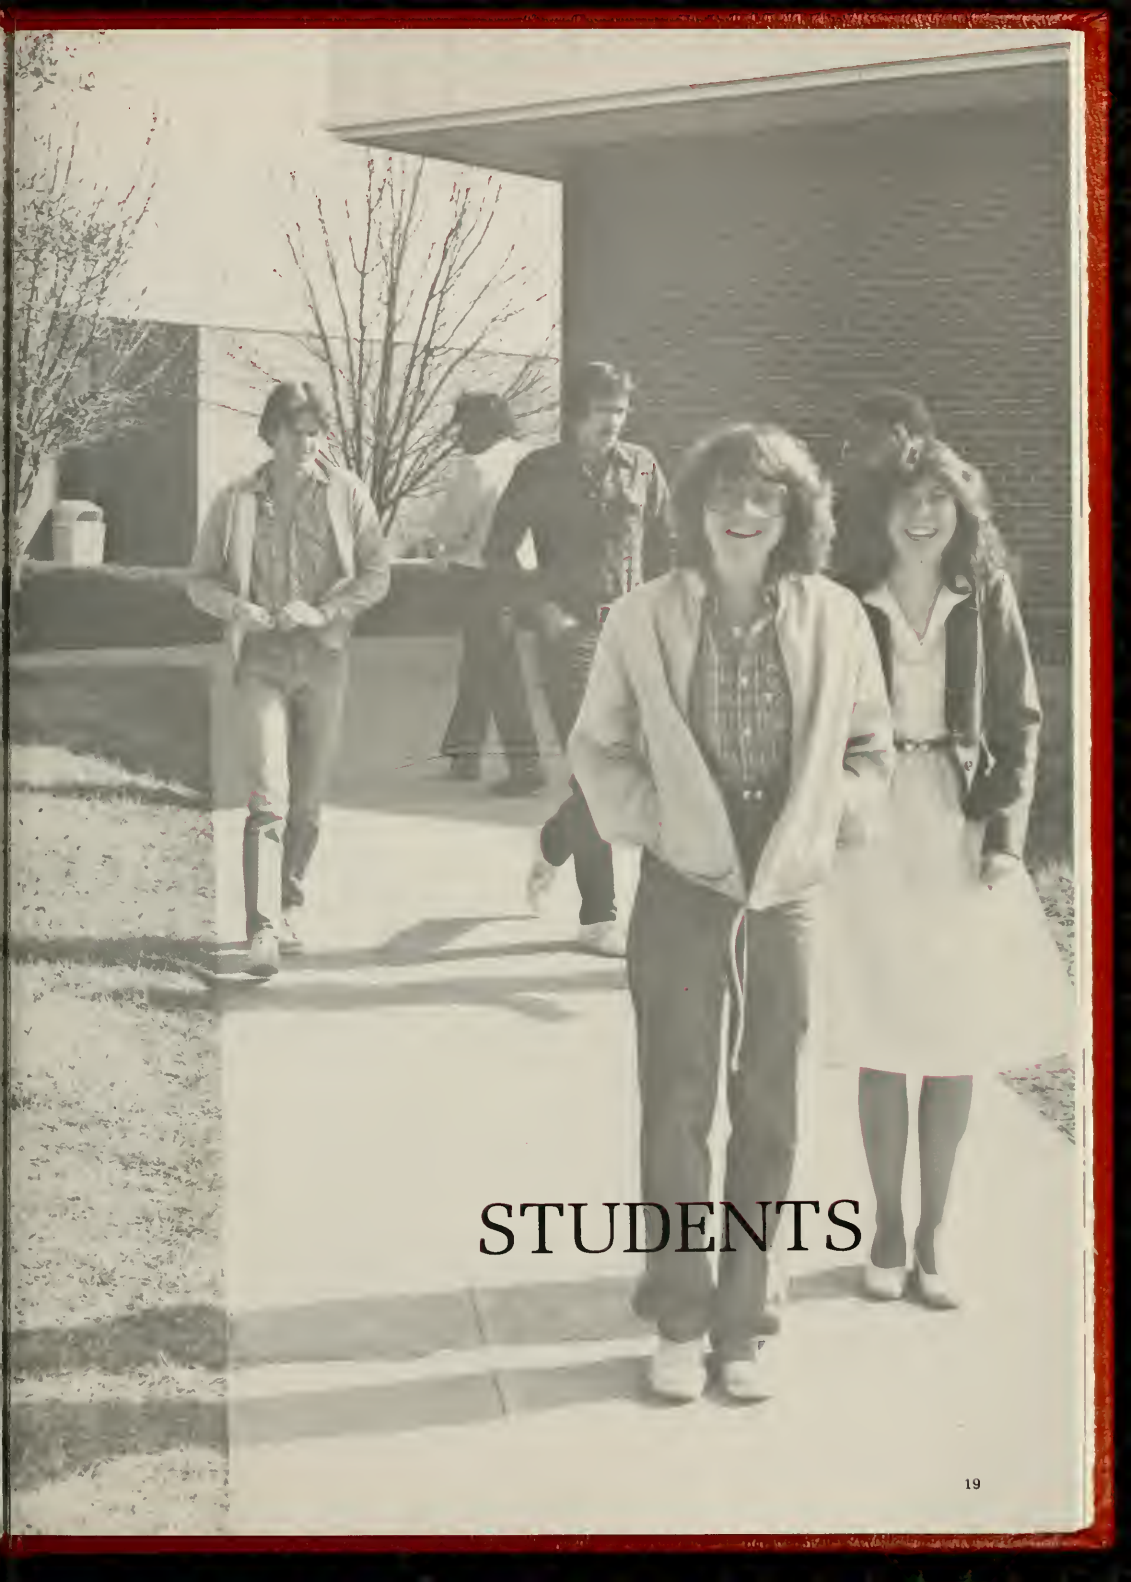

His wish for CCTC was that it be a comprehensive education institution that would serve all educational needs for the adults of this area.

He was called into statewide service and became Vice-chairman of the State Board of Community Colleges, working hard in the halls of the legislative building for benefits for employees and students of the system.

He felt especially close to students, seeking their counsel as he made decisions for the future of the system. He liked to be near them and always attended the Student Government Association's state conferences.

Mr. Budd leaves a legacy that will be a difficult to sustain. We must strive with diligence to maintain what he began. The challenge for us is great.

Oh, would that we had him with us today . . . We shall miss our champion, our leader, our friend.

Dedication
Mr. Elbert C. Price

It gives us much pleasure to dedicate the 1981-82 edition of Cougar Tracks to an individual who is devoted to Central Carolina Technical College, and our community, Mr. Elbert C. Price.

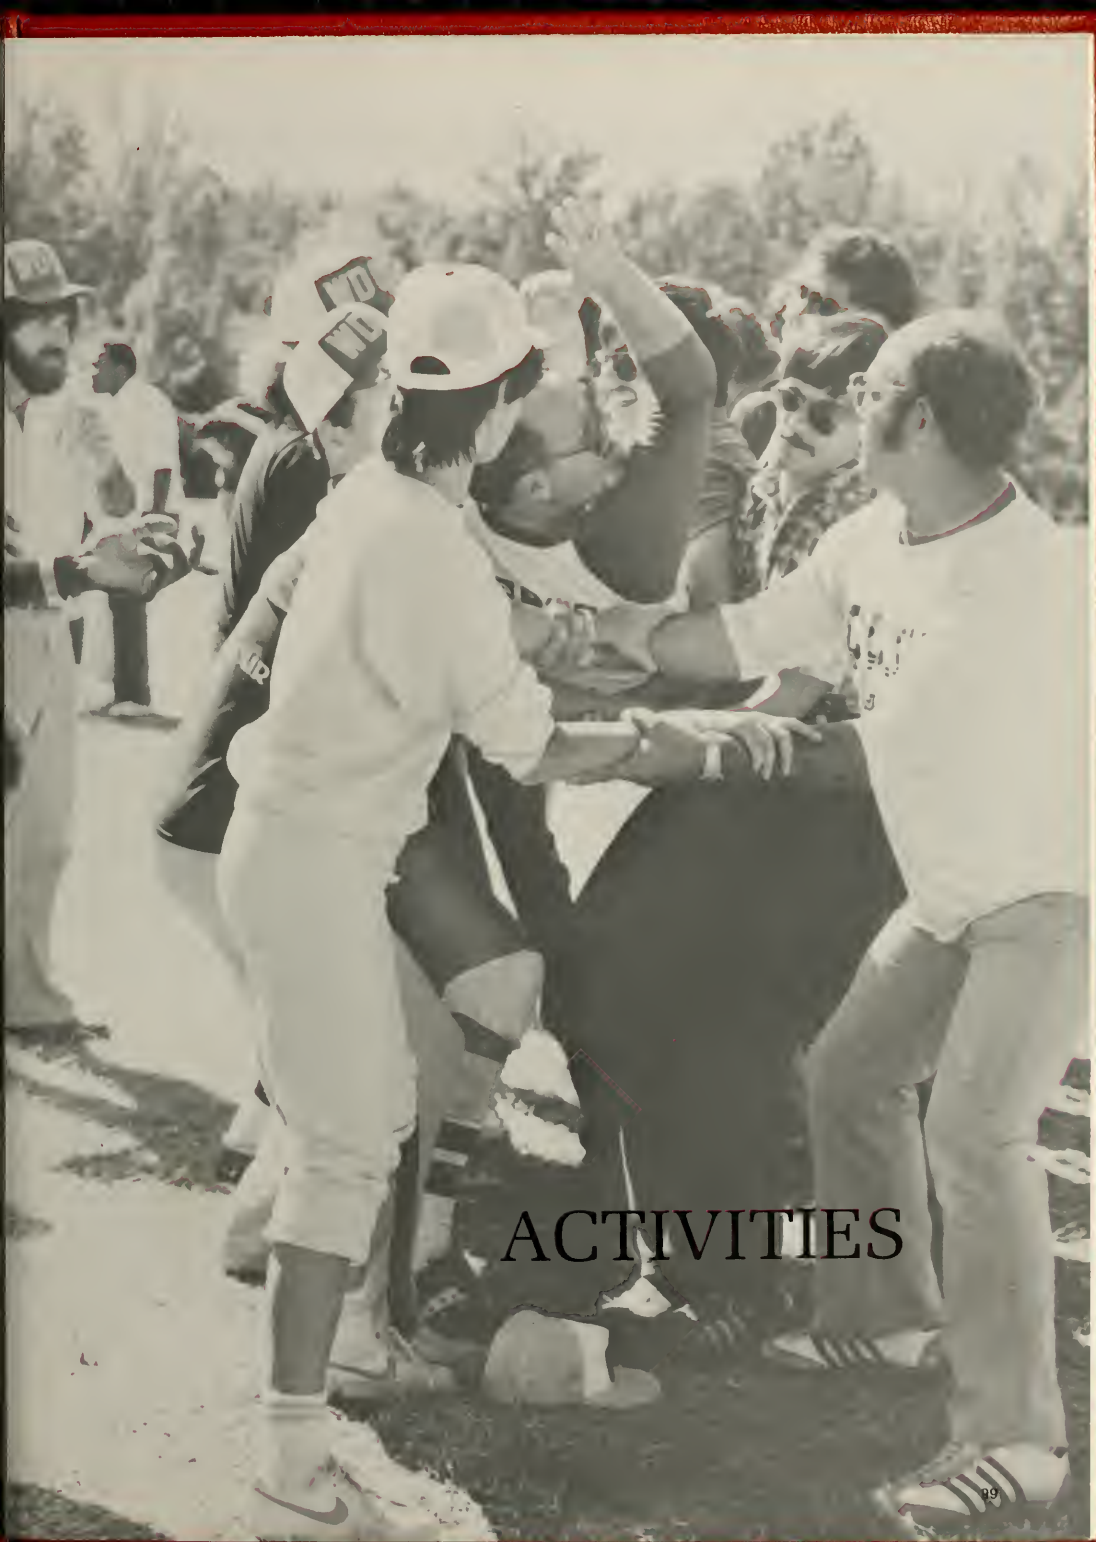

Mr. Price's devotion to our institution goes back to August 1, 1964, when he began as an Agriculture Instructor. Two years later, Mr. Price became Business Manager and currently he serves as Dean of Administrative Services. As a leader of CCTC, Mr. Price always seems committed to the welfare of each student.

His devotion to the community is exemplified through his involvement in the Sanford Lions Club and as an active member of the First Baptist Church. Presently, he serves as chairman of the Board of Deacons of First Baptist Church.

May his service and dedication to Central Carolina Technical College and the Sanford area continue for the betterment of our institution and community.

Be yourself — but be your best self.
Dare to be different and to follow your own star.

And don't be afraid to be happy. Enjoy what is beautiful.
Love with all your heart and soul. Believe that those you love,
love you.

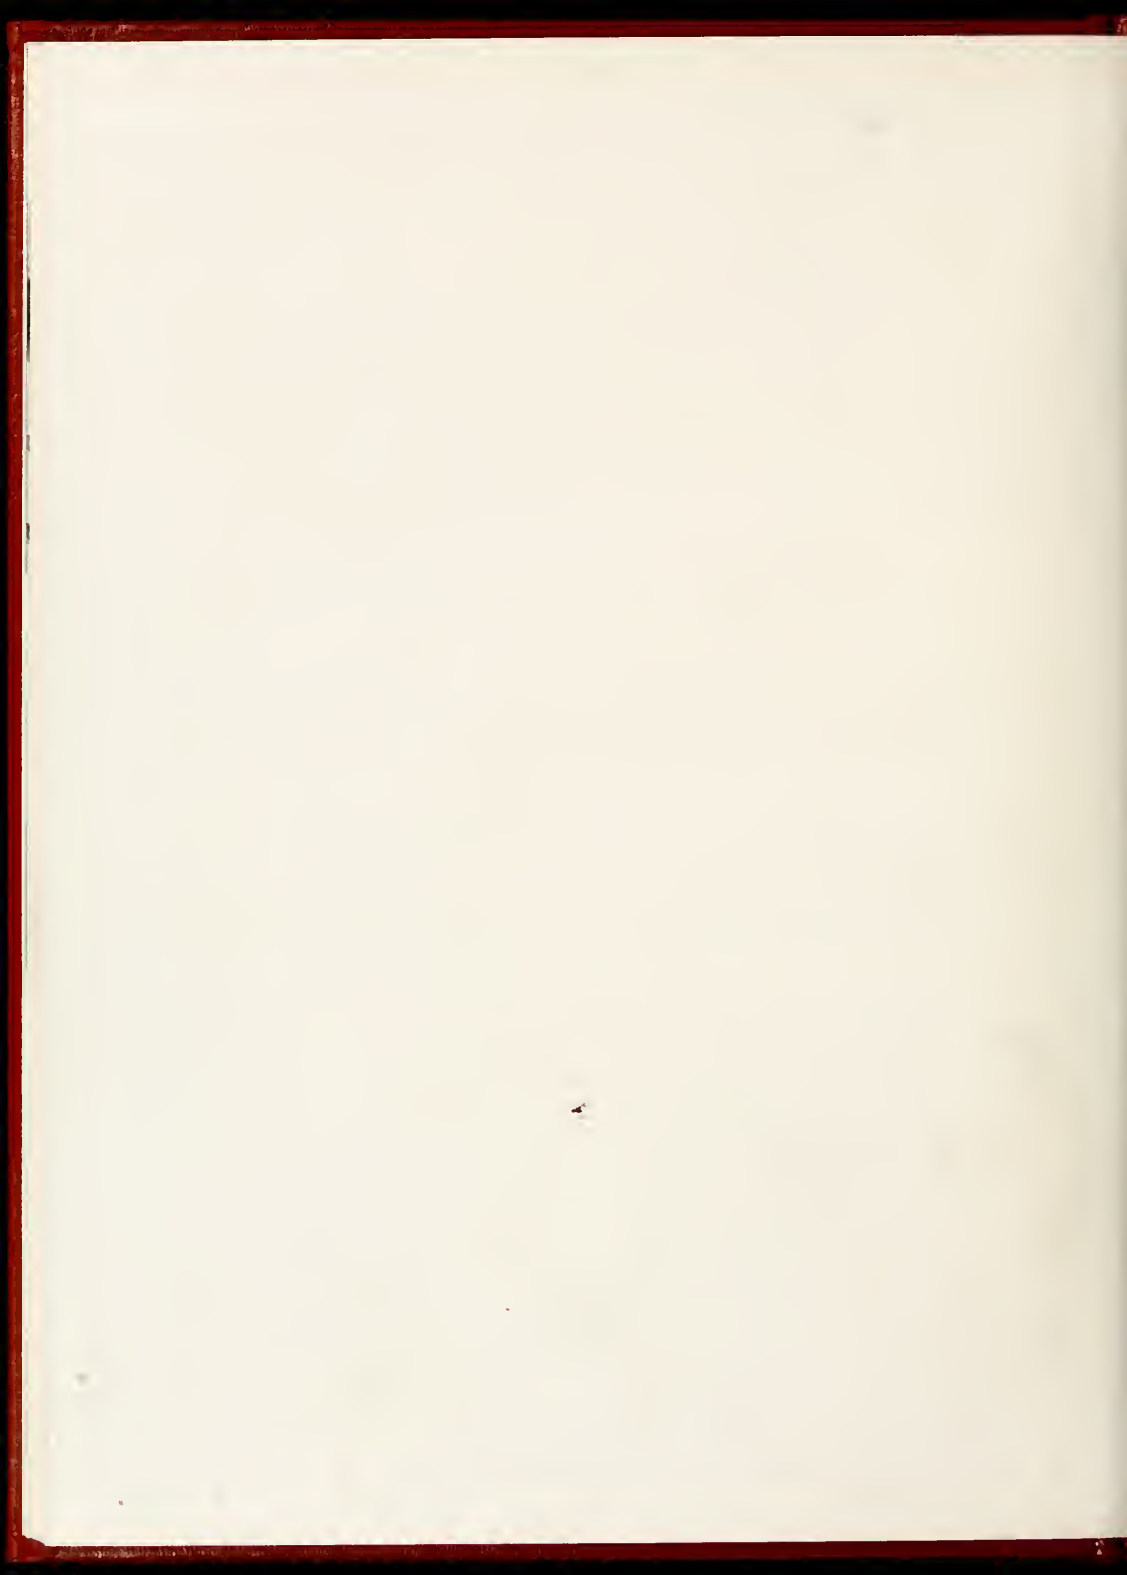

Forget what you have done for your friends, and
remember what they have done for you. Disregard
what the world owes you, and concentrate on what you owe
the world.

When you are faced with a decision, make that decision
as wisely as possible — then forget it. The moment of
absolute certainty never arrives.

Above all remember that God helps those who help themselves.
Act as if everything depended upon you, and pray as if
everything depended upon God.
